Although the ABC Benefit Horse Trials is not officially recognized by the USEA or USAEq, it is considered a learning experience for many horses and riders. For that reason the ABC Organizing Committee thinks it is important to observe and follow the official USEA/USAEq Rule and Guidelines to ensure the safety of both horses and riders as well as providing an opportunity for those less familiar with the rules to prepare for recognized competition. For more information on eventing log onto the official USEA (US Eventing Assoc.) web site: www.useventing.com.
