

2009 BTA Summer Nature Camp by Mary Ellen Iorio

Now in its third year, the BTA/BOLT Summer Nature Camp will be held two weeks this year; one week in July and one week in August. Let your kids enjoy Boxford's beautiful trails as they explore wetlands, fields and forests – and learn about the wonderful natural resources here in town. Camp will meet at the library field in East Boxford, Monday thru Friday, 9-Noon. Each day will themed. Last year, we studied birds, frogs, bugs and beavers. Our counselors and director are busy working to enhance these programs, adding new and creative explorations. Your kids can expect to hike, do arts & crafts, play games and, most importantly, HAVE FUN!

Sessions: July 6 - 10

August 3 - 7

Limit 10 children per session. Open to Grades 1-4.

Nature Camp Registration Form

Camper's Name: _____ Grade in Fall: _____

Camper's Name _____ Grade in Fall: _____
